Restaurant and bar openings: October 31–November 7
Krescendo, Fletcher's Brooklyn Barbeque and more open in New York.

Delmonico's Kitchen [Delmonico's](#)—the historic New York restaurant—opens a 175-seat branch. Find the original's classics (the signature bone-in steak) along with riffs (Baked Alaska served in ice cream cones). Deep red upholstery, pressed tin ceilings and gold-painted accents gesture to the restaurant's New York legacy. 207 W 36th St between Seventh and Eighth Aves (212-695-5220)
